1. Admission & Registration Guidelines

Purpose: This section outlines the entry requirements, required documentation, and step-by-step registration procedure for new and returning students.

Admission Requirements

- **High School Certificate:** Applicants must present an original, recognized High School Certificate (or equivalent) certified by the Ministry of Education, with a minimum passing grade of **60%** (or equivalent grade boundary based on faculty).
- **Identification & Photos:** 4 recent passport-size photographs along with a valid copy of a National ID Card or Passport.
- **Character Reference:** A formal letter of recommendation or character reference from the student's previous secondary school or employer.
- **Entrance Examination:** Candidates applying for specific competitive faculties (e.g., Medicine, Engineering) or scholarship schemes must sit for the University Entrance Examination (evaluating English Proficiency and Mathematics).

Registration Steps

1. **Application Submission:** Fill out and submit the official application form via the online student portal or at the Admissions Office on campus.
2. **Document Verification:** The Registrar's Office reviews and authenticates all submitted credentials.
3. **Application Fee Payment:** Pay a non-refundable application fee of **$20** to process the credentials.
4. **Student ID & LMS Activation:** Upon payment and approval, students receive an official Student ID Number and access credentials for the Learning Management System (LMS).

2. Tuition & Financial Fee Structure

Purpose: Provides complete financial transparency regarding tuition rates, payment schedules, and institutional financial policies.

Detailed Fee Breakdown

Fee Category	Amount ($ USD)	Payment Due Date
Application Fee	$20	One-time (Upon application submission)
Semester Registration Fee	$50	Due at the beginning of each semester
Monthly Tuition Fee	$50 – $120	Monthly or per semester (Varies by faculty)
Laboratory / Practical Fee	$30 – $50	Per semester (Engineering & Health Sciences)

Financial Policies & Regulations

- **Payment Deadlines:** Monthly tuition fees must be settled by the **5th of every month**. Semester fees must be cleared prior to the start of the academic term.
- **Late Payment Consequences:** Students with outstanding balances beyond the grace period may face restricted access to mid-term or final examinations, as well as portal lockouts.
- **Payment Methods:** All financial transactions must be processed through the university's official bank accounts or authorized mobile money services (Zaad, Sahal, EVC Plus). Physical cash is not accepted at the Finance Office; deposit receipts must be submitted for reconciliation.

3. Faculties & Academic Programs

Purpose: Highlights the primary academic divisions, degree offerings, and program scopes available at the university.

1. Faculty of Health Sciences

- **Programs Offered:** Bachelor of Medicine & General Surgery (6 Years), Bachelor of Science in Nursing (4 Years), Bachelor of Public Health (4 Years), Bachelor of Medical Laboratory Sciences (4 Years).
- **Overview:** Designed to train skilled healthcare professionals through rigorous clinical coursework, state-of-the-art laboratory work, and hospital internships.

2. Faculty of Engineering & Information Technology

- **Programs Offered:** B.Sc. in Computer Science, B.Sc. in Software Engineering, B.Sc. in Civil Engineering, B.Sc. in Information Technology.
- **Overview:** Focuses on modern technology, software design, infrastructure development, and practical engineering skills tailored to local and international job markets.

3. Faculty of Economics & Management Science

- **Programs Offered:** Bachelor of Business Administration, B.Sc. in Accounting & Finance, B.A. in Economics, Bachelor of Public Administration.
- **Overview:** Prepares students for leadership roles in commerce, financial analysis, organizational management, and public sector governance.

4. Academic Schedules & Study Shifts

Purpose: Details the available learning schedules, shift options, and the general academic calendar.

Study Shifts

- **Morning Shift:** 7:30 AM – 12:00 PM (Saturday to Wednesday)
- **Afternoon Shift:** 1:30 PM – 5:00 PM (Saturday to Wednesday)
- **Evening Shift:** 5:30 PM – 8:30 PM (Tailored for working professionals)

Academic Calendar Overview

Fall Semester:

- **Registration Opens:** September 1st
- **Classes Begin:** October 1st
- **Mid-Term Examinations:** November 15th – 20th
- **Final Examinations:** January 20th – 31st

Spring Semester:

- **Classes Begin:** February 15th
- **Mid-Term Examinations:** April 10th – 15th
- **Final Examinations:** June 15th – 25th

- **Summer Break:** July & August
